CERTIFIED RECONDITIONED INDUSTRIAL BATTERY

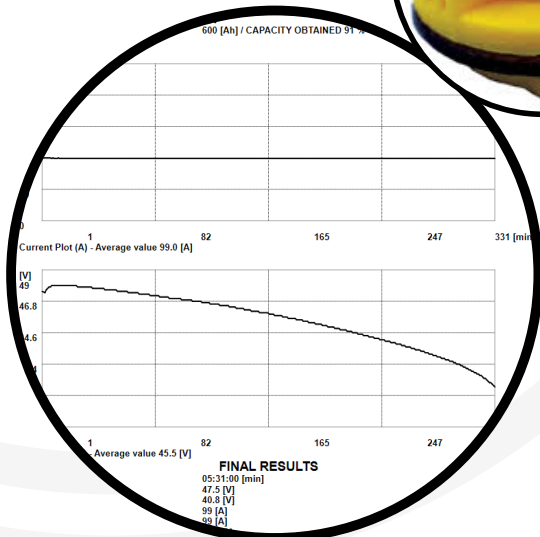

MOTIVE ENERGY SYSTEMS CERTIFIED RECONDITIONED INDUSTRIAL BATTERIES UNDERGO A RIGOROUS CONDITIONING, DE-SULFATING, NEUTRALIZING, ACID CALIBRATION & DIGITAL TESTING PROCESS IN ORDER TO DELIVER GUARANTEED PERFORMANCE FOR LIGHT/MEDIUM DUTY APPLICATIONS. OUR EXPERTS HAVE THE HIGHEST STANDARDS DURING THE REFURBISHING PROCESS IN ORDER TO SUPPLY A PRODUCT THAT COULD FOOL MOST AS NEW! ALL OF OUR BATTERY CELLS ARE FROM CREDITABLE MANUFACTURERS THAT ARE KNOWN FOR QUALITY PRODUCTS WHICH HAVE OUTSTANDING LONGEVITY AND CAPACITY. ALL BATTERIES ARE SOLD AT 80%+ CAPACITY AND COME WITH AN INDUSTRY LEADING ONE YEAR WARRANTY. WITH ONE OF THE LARGEST RECONDITIONED BATTERY INVENTORIES IN CANADA, MOTIVE ENERGY SYSTEMS WILL HAVE A SOLUTION FOR YOUR APPLICATION.

All units are fully painted with a high gloss, durable enamel. Cables and connectors are either brand new, or in very good working condition.

All vent caps are replaced with high quality bayonet caps.

Full digital load testing is available on request, which details battery capacities down to the seconds!
